RE: File #2004-02340, 399 Narrow Rd, Barnstead, Tax Map/Lot #32/10

Dear Ms. Grimmer:

On June 27, 2006, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above referenced property, more specifically referenced on Town of Barnstead Tax Map 32 as Lot 10 (the "Property"). The purpose of the inspection was to determine compliance with RSA 483-B and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency issued to you on October 27, 2004, have been addressed.

As a result of this inspection, it was determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely,

Tracey Boisvert  
Compliance Supervisor  
DES Wetlands Bureau
